Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

JAN 16 1964

I, Anna Nyquist, of Glasgow, (Name of Appropriator) (Address) (Town)
State of Montana
County of Valley
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 Sec. T.29 R.40
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based Stock
- Date or approximate date of earliest beneficial use; and how continuous the use has been 1920
- The amount of groundwater claimed (in miner's inches or gallons per minute) #1 Well 10 gallons per minute
#2 Spring 15 gallons per minute
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
none
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
#1 Well pump
#2 Spring
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1920
- The depth of water table #1 Well 20 feet
#2 Spring surface
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
none
- The estimated amount of groundwater withdrawn each year #1 Well 100000 Gallons
#2 Spring 500000 Gals
- The log of formations encountered in the drilling of each well if available
none
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
none

Signature of Owner Anna Nyquist
Date December 27, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

JAN 16 1962

Kenneth Gustafson of *Glasgow* *Mont*
(Name of Appropriator) (Address) (Town)
County of *Valley* State of *Montana*
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 18, T. 29, R. 40
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based: *Livestock Household*
- Date or approximate date of earliest beneficial use; and how continuous the use has been: *8/9/12*
Spring always in existence
- The amount of groundwater claimed (in miner's inches or gallons per minute): *15 gallons per minute*
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: *2 acres of garden*
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: *Pump & Electric Motor*
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: *8/9/62 well*
spring is surface water
- The depth of water table: *50 to 55*
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: *50 foot deep*
Spring is about 5 to 10 foot deep
- The estimated amount of groundwater withdrawn each year: *250,000 gallons*
- The log of formations encountered in the drilling of each well if available: *unknown*
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Alvin E. and Laura H. Austin of Glasgow
(Name of Appropriator) (Address) (Town)

County of Valley State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE NW
NWSW 1/4 Sec 20 T29 R. 40

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based user prior to January 1, 1962. Exact length of user not known, but in excess of 20 years.
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been approximately 1940, continuous to date.
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons per minute. Spring No. 2 and 3 - combined 20 gallons per minute.
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Not applicable.
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Natural springs, no wells drilled.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Not applicable.

8. The depth of water table 8 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Not applicable.

10. The estimated amount of groundwater withdrawn each year 1,260,000 gallons

11. The log of formations encountered in the drilling of each well if available Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record certain instruments are recorded but book and page number are not available.

Signature of Owner Alvin E. Austin

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. H. E. Piley of R 1-22 Glasgow
(Name of Appropriator) (Address) (Town)
County of Valley State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. 33 T. 29 R. 40

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based... General farm use
- Date or approximate date of earliest beneficial use; and how continuous, the use has been... continuous since 1910 approx.
- The amount of groundwater claimed (in miner's inches or gallons per minute)... 300 gal. per day
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof... 1 acre
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... pressure pump & horsepower
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... 1910
- The depth of water table... 111 ft.
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... 12.9 ft.
- The estimated amount of groundwater withdrawn each year... 10,800 gal.
- The log of formations encountered in the drilling of each well if available... not available
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record... none

Signature of Owner H. E. Piley
Date 12-25-1960

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
