STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER COMMISSION
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. A. J. Kilgore
   (Name of Appropriator)
   Address
   (Address)
   State of Montana
   (Town)

   County of Valley
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   NW 1/4 Sec 27, T31 R46
   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based:
   Well No. 1 - Shrubbery and grazing garden
   Well No. 2 - Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Well No. 1 - 1954
   Well No. 2 - 1961

4. The amount of groundwater claimed (in miner's inches or gallons per minute): Well No. 1 - 3 gpm per minute
   Well No. 2 - 4 gpm per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   
8. The depth of water table:
   Well No. 1 - 120 ft
   Well No. 2 - 100 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   
10. The estimated amount of groundwater withdrawn each year:
   Well No. 1 - 18,000 (approx.)
   Well No. 2 - 14,000 (approx.)

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner
Date: 7-11-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; and quadruplicate for the Appropriator.
STATE OF MONTANA,
County of Valley.

Notice of Completion of Groundwater
Appropriation by Means of Well
(Under Chapter 227, Montana Session Laws, 1961)

Owner: Henry P. Urban
Address: Frazee

Driller: Carl Palm
Address: Saco

Date of Notice of Appropriation of Groundwater: 7/1/62

Date well started: 7/26 Date completed: 7/28/62

Type of well: Drilled Equipment Used: Churn

Water Use: Domestic [] Municipal [] Stock [] Irrigation []

1. Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and characteristic of water-bearing strata and height to which the water rises in the well.

<table>
<thead>

</tr>
</tbody>
</table>

Static Water Level for non-flowing Well: 10' feet.

Shut-in Pressure for Flowing Well: 117 feet at 9 gal. per minute.

Discharge in gal. per min. of flowing well: 

How Tested: Bailing 13.5 ft.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation)

Gravel packed between well and casing from 100 to 125

Driller’s License Number: 25

Driller’s Signature: 

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Henry D. Unrau, of Frazer
   (Name of Appropiator) (Address)

   County of Valley State of Mont.

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: STOCK

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1966

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 5 GAL. PER MINUTE

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   SUBMERSIBLE ELECTRIC PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1966

8. The depth of water table: 30 FT.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   PIPE: 50 FT. DEPTH

10. The estimated amount of groundwater withdrawn each year: 132,000 GALL.

11. The log of formations encountered in the drilling of each well if available
   Gravel & Sand

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Approprietor.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. N. A. UNSWANE
   (Name of Appropriator) of:
   (Address) of:
   (Town)
   County of: Valley
   State of: Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based:
   (Specify crops and irrigation needs)

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
   1937
   1938
   1939
   Continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 7 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   1937
   1938
   1939

8. The depth of water table:
   33 ft

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   24 ft drill to 36 ft deep, core well at 183 ft. of water, 4 in. diameter.
   3rd well: 34 ft. drill to 44 ft. deep.
   4th well: 3 ft. diameter. 5 ft. of water on 2 ft. of bottom cemented in.

10. The estimated amount of groundwater withdrawn each year:
    10,725.00 gal

11. The log of formations encountered in the drilling of each well if available:
    24 ft. drill: 1.5 ft. coarse gravel.
    3rd well: 4 ft. coarse sand and gravel, 3 ft. water below.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: N. A. UNSWANE
Date: February 14, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropnator.

Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater ________________________________

Owner, Theo B. Wildel Address, W4 Hailmont

Contractor (if any) Marcus Garst

Address of Contractor Big Horn

Date Started Dec 1965 Date Completed Oct 1966

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. This is a earth pond fed by a spring

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use for crop, stock, and livestock

Indicate point of appropriation and place of use, if possible.

Signature of Owner Theo B. Wildel

Date March 10 1967

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Henry Franz, of Frazer,
   (Name of Appropriator) (Address) (Town)

County of Valley State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: home, household, and water livestock and small garden irrigation.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: about 1917 and since then continuously.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 80 gal. per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: by pump, with electric motor or windmill.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1917.

8. The depth of water table: 36 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 43 feet deep, 28" wide at top, ten feet and 20" on down.

10. The estimated amount of groundwater withdrawn each year: 20,000 gallons per year.

11. The log of formations encountered in the drilling of each well if available: not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

John Redekopp, of Lustre, State of Montana
County of Valley, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based household & farm use also for livestock use.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been since 1966.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 6 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal by Pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater drilled, 4½" casing 163.

10. The estimated amount of groundwater withdrawn each year at least 500,000 or more.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Archie Pet., of Hinsdale
   (Name of Appropriator) (Address) (Town)
   County of Hinsdale State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1932.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) about 40 gallons per hour.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater, approximately the year 1932 and continued since that time.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well, if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record where the right has been filed back to 1932 or any well right goes back to 1932. In my well right goes back to 1937.

State of Montana have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. **Beneficial Use**: Livestock watering

2. **Date or Approximate Date of Earliest Beneficial Use**: 1913 and continuous

3. **Amount of Groundwater Claimed** (in miner's inches or gallons per minute): 500 gallons per minute

4. **If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof**: A spring as located on the plat

5. **Means of Withdrawing Such Water from the Ground and the Location of Each Well or Other Means of Withdrawal**: Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

6. **Date of Commencement and Completion of the Construction of the Well, Wells, or Other Works for Withdrawal of Groundwater**: 1915

7. **Depth of Water Table**: As the surface

8. **Type, Size and Depth of Each Well or the General Specifications of Any Other Works for the Withdrawal of Groundwater**: Natural spring

9. **Estimated Amount of Groundwater Withdrawn Each Year**: Unknown

10. **Log of Formations Encountered in the Drilling of Each Well If Available**: Unknown

11. **Reference to Book and Page of Any County Record**: Unknown

**Signature of Owner**: Carlo Porteous

**Date**: December 31st, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

GEORGE C. HANEBUTH &LYDIA G. HANE BUTH

(Name of Appropriator) (Address) (Town)

County of Valley State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based... Stock spring

3. Date or approximate date of earliest beneficial use; and how continuous the use has been... 1939 - continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)... 15 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal... Natural spring - located per map

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater... Natural spring dug out in 1960 but used prior to that since 1939

8. The depth of water table... 6 feet or so

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater... Natural spring

10. The estimated amount of groundwater withdrawn each year... 15 gallons per minute year around

11. The log of formation encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date December 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.
