Declaration of Vested Groundwater Rights

(Note: This form is used under Chapter 237, Montana Session Laws, 1961)

1. **Beil, Ron, Inc.**
   - (Name of Appropriator)
   - (Address)
   - (Town)
   - (County of)
   - (State of)
   - (File No.)

2. **State of Montana**
   - (Office of State Engineer)
   - (Administrator of Groundwater Code)

3. Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   ![Diagram of groundwater appropriation](image)

   - Indicate point of appropriation and place of use, if possible. Each small square represents 10 feet.
   - Indicate location at each well or other means of withdrawal.

4. **Date or approximate date of earliest beneficial use; and how continued to the present.**

5. **The acreage and description of the lands to which water has been applied and name of the owner thereof.**

6. **The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.**

7. **The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of ground water.**

8. **The depth of water table.**

9. **So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.**

10. **The estimated amount of groundwater withdrawn each year.**

11. **The log of formations encountered in the drilling of each well if available.**

12. **Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.**

**Signature of Owner**

**Date**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer. Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. Be I Ranch Inc. of Hinsdale (Name of Appropnator)
   (Address)
   County of Valley State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: STOCK WATER

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1915

4. The amount of groundwater claimed (in miner's means or equivalent per minute): 5.5 GAL/MIN.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: NO.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: CYLINDER PUMP

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1925

8. The depth of water table: 18 FT

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: NO.

10. The estimated amount of groundwater withdrawn each year: 30,000

11. The log of formations encountered in the drilling of each well if available: UNKNOWN

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: NO.

Name of Appropriate: ____________________________
(Address) ______________________________________
County of: ______________________________________
State of: _______________________________________

I, ________________________________, of ____________________________, Montana,
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Description of groundwater:

2. The beneficial use on which the claim is based: ____________________________
   (Household + livestock)

3. Date or approximate date of earliest beneficial use, and how continuous the use has been:
   (January 1, 1960, continuous)

4. The amount of groundwater claimed (in miner's inches or gallons per minute): ____________________________
   (100 gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   (Not applicable)

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   (Groundwater, NE 1/4 Sec. 33 T.37 R.37)

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   (1963)

8. The depth of water table: ____________________________
   (2 feet)

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   (3 1/4 inch diameter, 36 inch diameter, 16 feet deep)

10. The estimated amount of groundwater withdrawn each year: ____________________________
    (1,000 gallons)

11. The log of formations encountered in the drilling of each well if available:
    (Not available)

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    (None)

Signature of Owner: ________________________________

DECLARATION OF VESTED GROUNDWATER RIGHTS

(UNDER CHAPTER 237, MONTANA SESSION LAWS, 1961)

I, Paul and Paulina Stellflug, of Ophir, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Stock spring.

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1920 - continuous.

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Natural spring - located per map.

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1920.

7. The depth of water table: Flows to surface.

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Excavation - 3' deep - 130' long.

9. The estimated amount of groundwater withdrawn each year: Flows 10 gallons per minute.

10. The log of formations encountered in the drilling of each well if available.

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Date: December 31, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

1. Stock well
2. Stock well
3. Stock spring

State of Montana
County of Valley

PAUL and OTHILDA STEFFLING

Date of earliest beneficial use: 1955

4. The amount of groundwater claimed (in minor's bushels or gallons per minute):
1. 8 gallons per minute
2. 10 gallons per minute
3. 10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
1. Electric pump - located per map
2. Electric pump - located per map
3. Natural spring

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
1. 1955
2. 1956
3. 1920
4. 30 feet
5. Flow to surface

8. The depth of water table:
1. 8 feet

9. So far as may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
1. 24' deep, 4' casing, 1' pipe
2. 187' deep, 4' casing, 12' pipe
3. 7' deep x 30' x 100' excavation
4. 500,000 gallons per year
5. 1,000,000 gallons per year
6. Flows 10 gallons per minute

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner:
Paul Steffling
Othilda Steffling

Date: December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator: John Doe
   Address: 123 Main St., Glasgow, Montana
   (Town)
   County of Valley
   State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is for stock water supply and household use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. July, 1940. Use has been continuous.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 12 gallons per minute.

5. Used for irrigation, give the acreage and description of the lands on which water has been applied and name of the owner thereof.

6. The means of withdrawing such groundwater and the location of each well or other means of withdrawal. Windmill.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. July, 1940.

8. The depth of water table. 25 feet.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. Well is between 90 and 110 feet deep with 4" galvanized steel casing.

10. The estimated amount of groundwater withdrawn each year. 20,000 Gallons.

11. The log of formations encountered in the drilling of each well if available. None available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

MARY FOUCHER Clerk & Recorder
Valley County
DECLARATION OF VESTED GROUNDWATER RIGHTS

(Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

I, Jerald Johnson, of 607-235
Have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: 

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 

8. The depth of water table: 

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 

10. The estimated amount of groundwater withdrawn each year: 

11. The 'of formations encountered in the drilling of each well if available: 

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: 

Signature of Owner: Jerald Johnson
Date: 12-23-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation by Means of Well
DEVELOPED AFTER JANUARY 1, 1962
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Enos L. Johnson
Address: 407 4th St. W.

Driller: Carl Palmer
Address: Sec. 37 T. 37 R. 40

Date of Notice of appropriation of groundwater: 8/1/62
Date well started: 8/1/62
Date completed: 8/31/62

Type of well: Drilled
Equipment used: Churn

Water use: Domestic ☑ Municipal ☐ Stock ☐ Irrigation ☐ Industrial ☐ Drainage ☐ Other ☐

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, character and thickness of water-bearing strata and height to which the water rises in the well.

Indicate location of well and place of use, if possible. Each small square represents 40 acres.

Show exact depth of bottom.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, tissue copy to be retained by driller.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
