DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1960)

1. Freezer Inc., of Harlowton,

County of Wheatland, State of Montana, have appropriated groundwater according to the Montana Laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: stock water

3. Date or approximate date of earliest beneficial use and how continuous the use has been:
   1955
   Used in fall and winter

4. The amount of groundwater claimed (in minor inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Approximately 1956

7. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Pump and engine

8. Depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   120'
   Pump and engine

10. The estimated amount of groundwater withdrawn each year
    Used in fall and winter to water 10 head of cattle

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number

Signature of owner:

Emma Freezer

County of Wheatland

STATE OF MONTANA

COUNTY OF WHEATLAND

SEALER OF THE RECORDS
WHEATLAND COUNTY, MONTANA

DECLARATION OF VESTED GROUNDWATER RIGHTS

(UNDER CHAPTER 237, MONTANA SESSION LAWS, 1965)

I, Eugene Frees, or Harleton

County of Wheatland, State of Montana, have appropriated groundwater as shown on the accompanying map and in the accompanying record of the Water Conservation District of Wheatland County, State of Montana, in accordance with the provisions of Chapter 237, Montana Session Laws, 1965.

The beneficial use on which the claim is based is:

1. Household, lawn, garden, stack water

2. The beneficial use on which the claim is based is not household, lawn, garden, stack water

3. Date or approximate date of beneficial use, and how continues the use has been, if continuously:

4. The amount of groundwater claim in million cubic feet, inches per minute, or million gallons per minute, or natural flow of spring or:

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereon:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal, except by means of pipe in places of less than 100 feet depth:

7. The date of commencement and the completion of the construction of the well, wells, or other works for withdrawal of groundwater, work to construct new or replacement of pipes, etc., about 1959:

8. Depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year is:

11. The log of formations encountered in the drilling of each well is:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number:

STATE OF MONTANA

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

COUNTY OF WHEATLAND, STATE OF MONTANA, have appropriated groundwater according to the Montana Laws in effect prior to January 1, 1962, as follows:

1. Freer Inc., of Havre, Montana, have appropriated groundwater according to the Montana Laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   1920

4. The amount of groundwater claimed (in miner inches or gallons per minute) of natural flow of spring:

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner there of:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal of water by natural flow of spring:

7. The date of commencement and the completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. Depth of water table:
   Spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater by natural flow of spring into Middle Fork of Hapley Creek:

10. The estimated amount of groundwater withdrawn each year of natural flow of spring:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number:

STATE OF MONTANA
COUNTY OF WHEATLAND

Emma Freer, having first been duly sworn, deposes and says that she is the appropiater and claimant of the order and water right mentioned in the foregoing declaration of vested groundwater rights and the person whose name is subscribed thereto, as the appropriator and claimant, that she knows the contents of said foregoing notice and that the matters and things therein stated are true.

SUBSCRIBED AND SWORN TO BEFORE ME, THIS 19 DAY OF JANUARY, 1963.

Notary Public for the State of Montana

Filed for record on the 19TH DAY OF JANUARY, 1963, at 3:10 P.M., and recorded in Book 15, Pages 1527 of Records of Wheatland County, Montana.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

Henry J. Lode & Mary Pearl Lode

Name of Appropriator

Address

County of Wheatland, State of Montana, have appropriated groundwater according to the Montana Laws in effect prior to January 1, 1962, as follows:

2. The beneficial use, on which the claim is based

stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: June 28, 1962.

4. The amount of groundwater claimed (in minor inches or gallons per minute)

4 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

pump

7. The date of commencement and the completion of the construction of the well, wells, or other works for withdrawal of groundwater:

unknown

8. Depth of water table:

30 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

75,000,000 gallons

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number:

Deputy Recorder
DECLARATION OF VESTED GROUNDWATER RIGHTS

UNDER CHAPTER 237, MONTANA SESSION LAWS, 1961

1. Fresner Inc., of Harlowton

County of Wheatland, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is:
   - Water for irrigation, full reservoir

3. Date or approximate date of earliest beneficial use and how continuous the use has been since then:
   - 1931, continuously

4. The amount of groundwater claimed (in miner inches or gallons per minute or average flow of spring):
   - Use on NE 30-10-14

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Approximately 15 Acres

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Natural flow of spring

7. The date of commencement and the completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - 1931

8. Depth of water table:
   - Spring

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:
    - Complete flow of spring

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference page of county records and book number:

STATE OF MONTANA
COUNTY OF WHEATLAND

Emma Frezer, having first been duly sworn, deposes and says that she (is, are) of lawful age and (is, are) the appropriator and claimant of the order and water right mentioned in the foregoing declaration of vested groundwater rights and the person whose name is subscribed thereto, as the appropriator and claimant, that he knows the contents of said foregoing notice and that the matters and things therein stated are true.
