County Recorder

Deputy Recorder

Please provide information oncerning use of water (i.e. domestic, stron, etc.) as well as information on static water level, pumping water level, how tested and length of test.

Other.

The appropriator of groundwater by means of a natural flowing well should be aware that waste of groundwater is prohibited and that "all flowing wells are to be capped or equipped with valves that the flow of water can be stopped when the water is not being put to beneficial use." (Section 89-2926, under Chapter 237, Montana Session Laws, 1961.) This is notenatural flowing well.

County recording information is missing. Please forward this information to the Montana Water Resources Board in Helena.

Any other intermetion desired should be directed to Fox Ranches Two Dot, Montana.

Show exact depth of bottom.
