# ADMINISTRATOR OF GROUNDWATER CODE OF STATE ENGINEER STATE STATE AND STATE AN

## Notice of Completion of Groundwater Application NEER Without Well

(Under Chapter 237 Montana Session Laws, 1961)

	Date of Appropriation of Groundwater 1942
	Owner John 6. Farker Address Wibnes, Mariana
	Contractor (if any)
	Address of Contractor Seme
	Date Started 1941 Date Completed 1941
N	Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to
	water when applicable
,	
v l	
	Quantity of water developed and used with explanation of method
	used to measure or estimate such amount. If use is intermittent
s	estimate approximate lengths of periods of use.
3/8 1/ of Sec 27 T 18 R 59	is water in it.
Indicate point of appropriation	
and place of use, if possible.	
	Signature of Owner John H. Parker
	John G. Parker Date Dec. SI. 1965
	V U816944

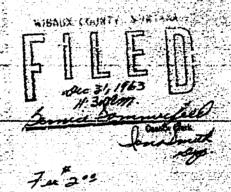

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
