Declaration of Vested Groundwater Rights STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. J.W. Meyer + Ed H Meyer of Wibaux  
(Name of Appropriator) (Address) (Town)

County of Wibaux State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 5 T. 13 R. 60

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2 wells  
2. The beneficial use on which the claim is based. 1 well - stock water - 1 well Home use + Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1 well - About 1940  
1 well 1959 - Both used all the time

4. The amount of groundwater claimed (in miner's inches or gallons per minute). The old well about 3 gal  
The new well about 5 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.  
not used

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.  
one jet pump with Elec motor  
one cylinder pump with Elec motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. not known

8. The depth of water table. 1 well - 14 ft - 1 well 16 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. The old well is hand dug with  
wood casing - newer well is drilled with a  
6 in casing - 28 ft deep. old well is 18 ft deep

10. The estimated amount of groundwater withdrawn each year. 1 well 30,000  
1 well - 100,000 gal

11. The log of formations encountered in the drilling of each well if available. not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. none

Signature of Owner Ed H Meyer  
J.W. Meyer  
Date 12-23-1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

### Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner Charles Hallett Address Beach, T.D.

Driller John Hallett Address Wibaux, Mont.

Date of Notice of Appropriation of Groundwater \_\_\_\_\_

Date well started May 15, 1964 Date Completed May 18, 1964

Type of well drilled Equipment Used drill  
(dug, driven, bored or drilled) (Churn, drill, rotary or other)

Water Use: Domestic  Municipal  Other  Irrigation   
Industrial  Drainage  Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Sec. 22 T. 13 R. 60E  
Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Static Water Level for non-flowing Well 7 feet.

Shut-in Pressure for Flowing Well N.A.

Pumping Water Level 1.0 feet at 5 gal. per minute.

Discharge in gal. per min. of flowing well N.A.

How Tested pump Length of Test 3 minutes

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation) N.A.

Driller's License Number \_\_\_\_\_

John J. Hallett  
Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

OFFICE OF STATE ENGINEER

RECEIVED  
JAN 6 1964

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. John H. Petermann, of Wilbur Mont  
(Name of Appropriator) (Address) (Town)

County of Wilbur State of Mont  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 Sec 10 T 12 R 58

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based is for  
Livestock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1931

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1/2 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
none

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal natural flow

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1920

8. The depth of water table surface spring

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater piped into tanks

10. The estimated amount of groundwater withdrawn each year 2,109,600

11. The log of formations encountered in the drilling of each well if available none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner John H. Petermann

Date Dec 31 - 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
