**Type of well**: Drilled

**Equipment used**: Rotary

**Water use**: Domestic [X] Municipal [ ] Stock [X] Irrigation [ ]

**Casing**: ft. to 110', Type: Steel, Size: 5"

**Perforated or Screened**: 90 ft. to 110 ft.

**Type of screen or perforations**: Burn slots in casing

**Static Water level, for non-flowing well**: feet.

**Shut-in pressure, for flowing well**: lb./sq. in. on: (date) from bottom of

**Pumping water level**: 18 feet at 8 gal. per min. well

**How tested**: Bailer and Large Jet pump

**Length of test**: 

**Remarks**: (Gravel packing, cementing, packers, type of shut-off, depth of shut-off)

None

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Petia J. Magrata
   (Name of Appropria,te)
   of
   Wibaux
   (Address)
   County of Wibaux
   State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based. LIVESTOCK or PERSONAL.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. Homestead
   (A) Early; (B) Continues.

4. The amount of groundwater claimed (in miner's inches or gallons per minute). (A) 10 g.p.m.; (B) 3.9 g.p.m.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof. (A) 10 acres; (B) John Doe.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal. (A) 10 pump; (B) 10 cylinder pump.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. (A) Early 1962; (B) Oct 01 - 1958.

8. The depth of water table. (A) 110 ft; (B) 110 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater. (A) 10 pump; (B) 10 cylinder pump.

10. The estimated amount of groundwater withdrawn each year. 40,000 to 75,000 g.p.m.

11. The log of formations encountered in the drilling of each well if available. (A) 10'; (B) unknown.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. Filed Nov 21, 1962; Document.

Signature of Owner, Peter J. Magrata
Date, 6-10-63.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1921)

Pete J. Morgan

County of

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1921, as follows:

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Petra J. Morgan, of Wibaux, Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based: Livestock + Personal

2. Date or approximate date of earliest beneficial use; and how continuous the use has been: Homestead days
Early 1900's. Continuous

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 1/4 gph x 480 gal/min = 576 gal/min

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump and Jack (A) (B) flowing well

6. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Approximately 1902

7. The depth of water table: 25 ft.

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Hand dug 25 ft deep, reduced to 30'

9. The estimated amount of groundwater withdrawn each year: 49,000 to 80,000 gal. +

10. The log of formations encountered in the drilling of each well if available: Not available

11. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: No further records

Signature of Owner: Peter J. Morgan
Date: 6-4-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
### Declaration of Vested Groundwater Rights (Under Chapter 237, Montana Session Laws, 1941)

1. **Anders Neunberg**  
   (Name of Appropriator)  
   County of **Wilbur**  
   State of **Montana**  
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based  
   - Livestock

3. Date or approximate date of earlier beneficial use, and how continuous the use has been:  
   - 1934

4. The amount of groundwater claimed (in miner's inches or gallons per minute):  
   - Not known exactly

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
   - Not used for irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
   - Not applicable

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:  
   - 1934

8. The depth of water table:  
   - 80 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
   - Not available

10. The estimated amount of groundwater withdrawn each year:  
    - Not known because well has not been used for each year

11. The log of formations encountered in the drilling of each well:  
    - Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  
    - Not applicable

Notice of Completion of Groundwater Appropriation Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1911.

Owner: NOT FIZED. Co. Address: St. Paul, Minn.

Contractor (if any) ____________________________

Address of Contractor ____________________________

Date Started: __________________ Date Completed: __________________

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring used since 1911.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use. Spring flows 1 gallon per minute.

County: Wibaux
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER COMMISSION
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1962)

1..Name of Appropriator: Donald Nelson
   Address: Wibaux, Montana
   County of: Wibaux
   State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stock Water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Spring 1961, during 8 months of year

4. The amount of groundwater claimed (in miner's inches or gallons per minute): unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Spring 1961

8. The depth of water table: 200 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Pump, 1" Casing, 250 ft

10. The estimated amount of groundwater withdrawn each year: unknown

11. The log of formations encountered in the drilling of each well if available: none

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: none

Signature of Owner: Donald Nelson
Date: August 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

1. James Eldridge, of Wibaux
   (Name of Appropriator) (Address) (Town)
   County of Wibaux State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      Domestic and for livestock.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      This well has been in use every day since the month of July 1910.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute) Two (2) gallon per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      Not used for irrigation.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      The water from this well is withdrawn by a pump.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      The construction of this well started in January of 1918.

   8. The depth of water table
      100 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      This well was drilled with a cable drill, is ninety feet deep and has a five (5") inch casing.

   10. The estimated amount of groundwater withdrawn each year
        100,000 gallons per year.

   11. The log of formations encountered in the drilling of each well if available
        Clay, sandstone, and some gravel.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
        No useful information in county records to my knowledge.

   Signature of Owner

Notice of Completion of Groundwater Appropriation by Means of Well

(Under Chapter 237, Montana Session Laws, 1961)

Owner: Stanley DeVoe
Address: Wilslow, Mont.

Driller: Harold Swoboda
Address: Beach, M. D.

Date of Notice of Appropriation of Groundwater:

Date well started: Oct. 13, 1962; Date completed: Nov. 17, 1962

Type of well: Drilled; Equipment Used: Rotary

(dug, driven, bored or churn, drill, rotary or other)

Water Use: Domestic [X] Municipal [X] Stock [X] Irrigation [X]

Industrial [ ] Drainage [ ] Other [ ]

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 207, Montana Session Laws, 1961)

1. Name of Appropriator: Ray I. Berger
   Address: William
   Town: William

   County of William
   State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   N
   W
   SW 1/4 Sec. 4 T 13 R 59

   Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

   2. The beneficial use on which the claim is based:
      - household
      - stock

   3. Date or approximate date of earliest beneficial use: 1951
      - No 1 well
      - No 2 well

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): not applicable

   5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof:
      - not used for irrigation

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      - drawn by electric motor

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      - 1951
      - Unknown on No 2 well

   8. The depth of water table: not applicable

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      - Well Casing 150 ft. on No. 1
      - Unknown on No. 2

   10. The estimated amount of groundwater withdrawn each year: not applicable

   11. The log of formations encountered in the drilling of each well if available: not applicable

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: unknown

   Signature of Owner: Ray I. Berger
   Date: 12/26/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appraiser.

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: 1962

Owner: [Name]
Address: [Address]

Contractor (if any): [Name]
Address of Contractor: [Address]

Date Started: 1962
Date Completed: 1962

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable six feet or under, water drained off to fill tank and reservoir, to be used for

watering stock

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent estimate approximate lengths of periods of use.

Measured by: [Method]

20 head cattle for 2 months beginning June.

Signature of Owner: [Signature]
Date: [Date]

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
