STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237, Montana Session Laws, 1961)

Date of Appropriation: ______
Owner Em. Name _____ Adr. ________
Contractor (Name) ________
Address of Contractor ________
Data Started: ______ Date Completed: ______

Describe means of obtaining groundwater, without a well, by
subsidence, and other natural processes, or by use of water when
aplicable: ______

Quantity of water developed and used, with explanation of methods
used to measure or estimate such amount. If use is intermittent,
estimate approximate lengths of periods of use: ______

[Diagram of grid]
Indicate point of appropriation
and place of use, if possible.

Southern Pacific Railway Company
Signature of Owner ______ Date ______
District Supervisor ______ Date ______

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana
Bureau of Mines and Geology and Quadruplicate for the Appropriator.
# Declaration of Vested Groundwater Rights

- **Name of Appropriaor**: Hattie R. Dikeff
- **Address**: Hildreth
- **County of**: Hildreth
- **State of**: Montana

## Declaration:

- I, Hattie R. Dikeff, of Hildreth,Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

## Table of Appropriation:

<table>
<thead>
<tr>
<th>W</th>
<th>E</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st</td>
<td>SW 1/4</td>
</tr>
<tr>
<td>2nd</td>
<td>NW 1/4</td>
</tr>
</tbody>
</table>

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

## Notes:

- The beneficial use on which the claim is based:
  - Improving livestock

## Other Details:

OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Elmer Zimmerman
   (Name of Appropriator)
   of Wibaux, Mont.
   (Address)
   (Town)

   County of Wibaux
   State of Mont.

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Stockwater

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Aug 1st 1957, used 4 months each year

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 4 gal. per minute

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: none

6. The means of withdrawing such water from the ground and the location of such well or other means of withdrawal: Windmill and regular pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: June 1st 1952

8. The depth of water table: 200 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 200 ft, 2½ in. Iron Cylinder well pump off the bottom of the well. 4½ in. casing was used in well.

10. The estimated amount of groundwater withdrawn each year: 190,000 gal.

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including references to books and pages of any county record: none except that we use this at various times of the year in pasture rotation.

Signature of Owner: Elmer Zimmerman
Date: Dec 29th 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state. Otherwise the form will be returned.

1. Wm. P. Bold
   (Name of Appropriator)
   Wibaux, MT
   (Address)
   (Town)

   County of Wibaux State of Montana,
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Water for livestock and farm use.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: May 1, 1957.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1 gal. per min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric motor and pump jack.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: April 25, 1957 - May 3, 1957.

   8. The depth of water table: 20'

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 4 in. screen, casing - 1/2 pipe 20'.

   10. The estimated amount of groundwater withdrawn each year: 300 gal. per day - 106,000 gal./yr.

   11. The log of formations encountered in the drilling of each well if available: Unknown.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None.

   Signature of Owner: Wm. P. Bold
   Date: Dec. 17, 1963.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Lee E. Wyckoff
   (Name of Appropriator)
   County of Ribbons
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Domestic and stock use.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
   Unknown—been used continuously since 1910 that I know of.

4. The amount of groundwater claimed (in miner's inches or gallons per minute):
   10 gals.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   Garden irrigation. 1 acre.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   Pump, Jack

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   Unknown

8. The depth of water table:
   20 ft.

9. As far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   Dug-2" pipe-4" Cylinder-30 ft.

10. The estimated amount of groundwater withdrawn each year:
    Unknown

11. The log of formations encountered in the drilling of each well if available:
    None

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
    None

Signature of Owner: Lee E. Wyckoff
Date: 26 Dec 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder, Duplicate to the State Engineer, Triplicate to the Montana-Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 297, Montana Session Laws, 1964)

1. Simon H. Hazelton
   (Name of Appropriator)
   County of Libby
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based:
   Stock water

3. Date or approximate date of earliest beneficial use; and how continuous the use has been approximately 1930.
   Continuously during each grazing season

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   5 gal/min

5. If used for irrigation, give the average and description of the lands to which water has been applied and name of the owner thereof
   Not applicable

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Natural Spring

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   Same date as 2. The drinking stall and spring itself have been periodically cleaned and repaired.

8. The depth of water table
   Not applicable

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   A pool of water fed by the spring has a drinking stall which provides the animals with free access to a limited boxed-in portion of the pool

10. The estimated amount of groundwater withdrawn each year
    $2 X 10^6

11. The log of formations encountered in the drilling of each well if available
    Not applicable

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    None

I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   House and Stock Water

3. Date or approximate date of earliest beneficial use, and how continuous the use has been
   Approximate July 1, 1938
   Use has been continuous

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   10 gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   None used

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   Electric Power Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1938

8. The depth of water table
   40'

9. So far as may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   6' casing well 70' deep
   Jensen Water Lift Jack

10. The estimated amount of groundwater withdrawn each year
    100,000 gals.

11. The log of formations encountered in the drilling of each well if available
    N.A.

1. Frank Testers
   (Name of Appropriator)
   of Hibaux, Mont.
   (Address)
   of County of
   State of Montana

The amount of groundwater appropriated according to the Montana laws in effect prior to January 1, 1962, as follows:

- The beneficial use on which the claim is based
  - Home & stock use

- The date or approximate date of earliest beneficial use; and how continuous
  - Well No. 1 1912 - Use has been
  - Well No. 2 1930 - Continuous

- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
  - Both wells are pumped

- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
  - Well No. 1 1912
  - Well No. 2 1930

- The depth of water table
  - Well No. 1 about 170 ft, Well No. 2 about 9 ft

- The estimated amount of groundwater withdrawn each year
  - 2,500,000 gallons

- The log of formations encountered in the drilling of each well if available
  - Well No. 1 unknown
  - Well No. 2 dirt & gravel

- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
  - None

Signature of Owner: Frank Testers
Date: Dec. 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.
