(Under Chapter 237, Montana-Session Laws, 1961)

1. Friedrich Dikoff, of Hibaux
(Name of Appropriator) (Address) (Town)
County of Hibaux State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

No. 1 SW.
No. 2 SE 1/4 Sec. 8 T. 17 R. 59

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based: Watering livestock
- Date or approximate date of earliest beneficial use; and how continuous the use has been:
No. 1 - 1951
No. 2 - 1951
- The amount of groundwater claimed (in miner's inches or gallons per minute):
No. 1 - 3 gals per minute
No. 2 - 4 gals per minute
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
None
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Windmill - pump jack
- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
No. 1 - 1951
No. 2 - 1951
- The depth of water table: No. 1 - 20 ft. No. 2 - 70 ft.
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
No. 1 - 6 inch hole - 40 ft. deep
No. 2 - 6 inch hole - 100 ft. deep
- The estimated amount of groundwater withdrawn each year: No. 1 & No. 2 - 300,000 gals.
- The log of formations encountered in the drilling of each well if available:
Unknown
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
Unknown

Signature of Owner: Friedrich Dikoff

Date: Dec 30, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

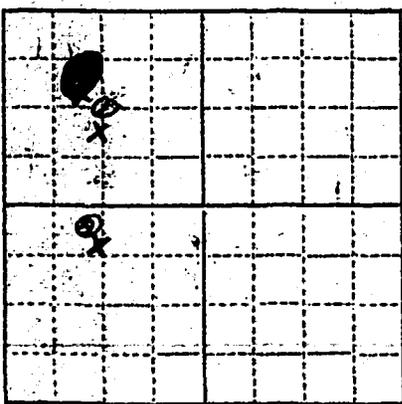

Date of Appropriation of Groundwater: 1958 1960

Owner: Peter Thamer Address: Wibaux Mont

Contractor (if any): John Thamer John Thamer

Address of Contractor: Wibaux, Mont Wibaux Mont

Date Started: 1958 1960 Date Completed: 1958 1960

NW 1/4 Sec. 25 T. 17 R. 57

Indicate point of appropriation and place of use, if possible.

SW Sec 25 T 17 R 57

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. Spring Run - off of rain

Spring Run off of snow

Surface Water

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use. Eight months

Eight months

Signature of Owner: Peter Thamer

Date: Dec. 27, 1963

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

I Wm. P. Bold, of Wibaux
(Name of Appropriator) (Address) (Town)
County of Wibaux State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 Sec 26 T 17 R 59

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based water for live stock and farmstead

3. Date or approximate date of earliest beneficial use; and how continuous the use has been May 1, 1957
in continuous use since completion

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 5 gal per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
None

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal electric motor on pump jack

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Apr. 25, 1957 - May 3, 1957

8. The depth of water table 20'

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 4" steel casing - 1/4 pipe 240'

10. The estimated amount of groundwater withdrawn each year 300 gal. per day - 100,000 gal. yr.

11. The log of formations encountered in the drilling of each well if available unknown

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner Wm. P. Bold

Date Dec 17 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

home + stock use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

*Well no. 1 1912 use has been continuous
Well no. 2 1950*

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

unknown

5. If used for irrigation, give the acreage and description of the lands to which water has been applied, and name of the owner thereof.

no irrigation

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

both wells are pumped

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

*Well no. 1 1912
Well no. 2 1950*

8. The depth of water table

Well no. 1 about 140 ft. Well no. 2 about 9 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

*no. 1 has 5 inch casing 160 ft deep
no. 2 has 5 inch casing 18 ft deep*

10. The estimated amount of groundwater withdrawn each year

250,000 gallons

11. The log of formations encountered in the drilling of each well if available

*Well no. 1 unknown
Well no. 2 dirt + gravel*

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

none

Signature of Owner *Frank Teeter*

Date *Dec. 26, 1963*

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
