ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

RECEIVED
JAN 2 1964
STATE ENGINEER

1. Albert Wagner, of R#1 Box 29 Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of MONT
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 80 Survey Cor 2nd Time
1/4 Sec 36 T1N R24E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Stock + Lawn
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1954
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 35 gal
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Lot irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater April 1954
8. The depth of water table 8 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 3 ft casing 22 ft deep
10. The estimated amount of groundwater withdrawn each year 150,000 gal
11. The log of formations encountered in the drilling of each well if available none
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record none

Signature of Owner

Date

Albert Wagner
12-31-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

STATE ENGINEER

1. Mrs. A. J. Rehberg also known as/ of 2317 Rehberg Lane Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 S Sec. 17 T. 11 N. R. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Livestock watering
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Drilled by the Custer Cattle Co prior to 1900. Used by A. J. Rehberg continuously since 1941.
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 480 Gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NONE
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Drilled well operated by electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater Prior to 1900 by Custer Cattle Co.
8. The depth of water table 100 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well 150 feet in depth 6 inch well with four inch casing. Pumped by electric pump with a heavy flow of water. Same Supply of water as well one half mile to west.
10. The estimated amount of groundwater withdrawn each year 2 million gallons per year
11. The log of formations encountered in the drilling of each well if available not available
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Same underground river which supplies well in section 18 and section 17. heavy flow of water with apparently endless supply.

Signature of Owner Mrs. A. J. Rehberg

Date December 28, 1963

(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

N 1/2
Sec. 17, T 14 R. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Domestic and Livestock
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Drilled in 1940
Used continuously since that time
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1 1/2 Gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Used for irrigation of approximately five acres of garden and windbreak.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Windmill
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1940
8. The depth of water table 155 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well 165 Feet deep
Four inch with 2 inch casing and is pumped by windmill
10. The estimated amount of groundwater withdrawn each year 500,000 Gallons per year
11. The log of formations encountered in the drilling of each well if available Not available
Drilled by Anderson Drilling Co.
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record Not the case underground river as others in the area. This well has a fair supply of water.

Signature of Owner

Date December 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

1. MRS. A. J. REHBERG, also known as/ Mary A. Rehberg, of 2317 REHBERG LANE BILLINGS
(Name of Appropriator) (Address) (Town)
County of YELLOWSTONE State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Sec. 18 T14 R. 25

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based USED FOR LIVESTOCK
3. Date or approximate date of earliest beneficial use; and how continuous the use has been DRILLED IN 1890's by the Great Northern Railroad. It is in continuous use.
4. The amount of groundwater claimed (in miner's inches or gallons per minute) SEVENTY FIVE GALLONS PER MINUTE
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NONE
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal DRILLED WELL OPERATED BY GASOLINE DRIVEN ENGINE
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater DRILLED IN LATE 1890's. Improved in 1932 when acquired by Mr. A.J. Rehberg.
8. The depth of water table 140 Feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Drilled well 8 inch well with 6 inch casing 165 feet deep and is pumped by 3 horse gasoline engine
10. The estimated amount of groundwater withdrawn each year 1,080,000 GALLONS PER YEAR
11. The log of formations encountered in the drilling of each well if available THIS INFORMATION IS NOT AVAILABLE
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record This water apparently drawn from underground river. Good supply and has never been pumped dry. This section is a state lease section.

1. Flora Brown, of Billings,
(Name of Appropriator) (Address) (Town)

County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to
January 1, 1962, as follows:

--- Sec. 32 T. 1 N. R. 55 E
Indicate point of appropriation
and place of use, if possible.
Each small square represents
10 acres.

2. The beneficial use on which the claim is based
Watering cattle
3. Date or approximate date of earliest beneficial
use; and how continuous the use has been
1927
4. The amount of groundwater claimed (in miner's
inches or gallons per minute)
5. If used for irrigation, give the acreage and
description of the lands to which water has been
applied and name of the owner thereof
6. The means of withdrawing such water from the
ground and the location of each well or other
means of withdrawal
Electric pump

7. The date of commencement and completion of the construction of the well, wells,
or other works for withdrawal of groundwater
8. The depth of water table 30 ft
9. So far as it may be available, the type, size and depth of each well or the gen-
eral specifications of any other works for the withdrawal of groundwater
6" pipe 60 ft deep
Steel pipe
10. The estimated amount of groundwater withdrawn each year 10,000
11. The log of formations encountered in the drilling of each well if available
12. Such other information of a similar nature as may be useful in carrying out the
policy of this act, including reference to book and page of any county record

County

Yellowstone

1. Salomon Deines, of Route 1 Box 91 (Town)
 (Name of Appropriator) (Address)
 County of Yellowstone State of Mont. Bullington
 have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

West half of Southwest quarter

7 1/4 Sec 32 T. 11 N. R. 25 E

Indicate point of appropriation
 and place of use, if possible.
 Each small square represents 10
 acres.

2. The beneficial use on which the claim is based watering livestock, irrigating land
3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1942 all the time
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 15 or 20 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Salomon Deines
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal pump next to the array, for the livestock
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1942
8. The depth of water table About 6 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 8" casing 8' deep
10. The estimated amount of groundwater withdrawn each year depends on how many head of livestock each year
11. The log of formations encountered in the drilling of each well if available Sandy
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
