STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. **ALBERT WEGGER**, at BILLINGS, YELLOW STONE
   County of BILLINGS, State of MONTANA,
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

<table>
<thead>
<tr>
<th>N</th>
<th></th>
<th></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td></td>

<td></td>
<td></td>
<td></td>
</tr>
<tr>
<td>W</td>
<td></td>
<td></td>
<td>E</td>
</tr>
</tbody>
</table>

2. The beneficial use on which the claim is based
   _____________________________

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   _____________________________
   1957

4. The amount of groundwater claimed (in inches or gallons per minute)
   _____________________________
   33 gal

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   _____________________________

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   _____________________________

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   _____________________________
   April 1957

8. The depth of water table
   _____________________________
   8 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   _____________________________
   31 Acres 227 1/2

10. The estimated amount of groundwater withdrawn each year
    _____________________________
    150,000 gal

11. The log of formations encountered in the drilling of each well if available
    _____________________________

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    _____________________________

Signature of Owner

Albert Wegger
Date 12-31-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

Mary A. Rehberg

(Name of Appropriate) (Address) (Town)

NE\(_4\) Sec. 17 T. 11 N. R. 25

Indicate point of appropriation and place of use, if possible.
Each small square represents 10 acres.

1. Mrs. A. J. Rehberg also known as/ of 2317 Rehberg Lane Billings

(County of Yellowstone) (State of Montana)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based livestock watering

3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
Drilled by the Custer Cattle Co. prior to 1900. Used by A. J. Rehberg continuously since 1941.

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 480 Gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
NONE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
Drilled well operated by electric motor

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Prior to 1900 by Custer Cattle Co.

8. The depth of water table 100 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
Drilled well 150 feet in depth Sineh well with four inch casing. Pumped by electric pump with a heavy flow of water. Same supply of water as well one half mile to west.

10. The estimated amount of groundwater withdrawn each year 2 million gallons per year

11. The log of formations encountered in the drilling of each well if available: not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
Same underground river which supplies well in section 16 and section 17. Heavy flow of water with apparently endless supply.

Signature of Owner

Date: December 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

as Mary A. Rehberg
Mrs. A. J. Rehberg also known of 8317 Rehberg Lane, Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

1. The beneficial use on which the claim is based.
   - Livestock
   - Domestic

2. Date or approximate date of earliest beneficial use, and how continuous the use has been.
   - Drilled in 1950 and used continuously since that time.

3. The amount of groundwater claimed (in miner's inches or gallons per minute).
   - 10 gallons per minute.

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   - Used for irrigation on 5 acres of garden and windbreak.

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.
   - Electric Pump 12 Horse power.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   - 1950.

8. The depth of water table.
   - 190 feet.

9. The general specifications of any other works for the withdrawal of groundwater.
   - Drilled well six inches with a 4 inch casing operated by an electric pump.

10. The estimated amount of groundwater withdrawn each year.
    - 2½ millions gallons per year.

11. The log of formations encountered in the drilling of each well.
    - Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county records giving endless supply of water.

Signature of Owner
Date: Dec. 29, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriate.
Mary A. Rehberg

1. Mrs. A. J. Rehberg is the Approprietor, 2317 Rehberg Lane, Billings, State of Montana, County of Yellowstone, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic, Livestock

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Drilled in 1940, Used continuously since that time

4. The amount of groundwater claimed (in miner’s inches or gallons per minute): 1½ Gallons per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Used for irrigation of approximately five acres of garden and windbreak

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1940

8. The depth of water table: 125 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well, 165 feet deep, Four inch well, 21 inch casing and 4-foot pump by windmill

10. The estimated amount of groundwater withdrawn each year: 500,000 Gallons per year

11. The log of formations encountered in the drilling of each well if available: Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: Not the same underground river as others in the area. This well has a fair supply of water.

Signature of Owner: Mary A. Rehberg
Date: December 28, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Approprietor.

Mary A. Rehberg

1. Name: A. J. Rehberg, also known as/ of 2317 REHBERG LANE
   (Name of Appropriator) (Address)
   County of YELLOWSTONE, State of MONTANA

2. The beneficial use on which the claim is based: USED
   FOR LIVE STOCK

3. Date or approximate date of earliest beneficial use: and how continuous the use has been: DRILLED IN 1890's by the
   Great Northern Railroad. It is in continuous use.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): TEN GALLONS PER MINUTE

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof: NONE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: DRILLED
   WELL OPERATED BY GASOLINE DRIVEN ENGINE

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: DRILLED IN LATE 1890's. Improved in 1932 when acquired... by Mr. A.J. Rehberg.

8. The depth of water table: 160 FEET

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well 3 inch well with sline casing 165 feet deep and is pumped by 3 horse gasoline engine

10. The estimated amount of groundwater withdrawn each year: 1,080,000 GALLONS PER YEAR

11. The log of formations encountered in the drilling of each well if available: THIS INFORMATION IS NOT AVAILABLE

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: This water apparently drawn from underground river... Good supply and has never been pumped dry... This section is a state lease section.

Notice of Completion of Groundwater Appropriation Without Well

Date of Appropriation of Groundwater: 3-15-71

Owner: Ralph E. Hatch  Address: 365 Lee Ave

Contractor (if any):  Address of Contractor:  Badger Montana

Date Started: 4-1-71  Date Completed: 4-15-71

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable.

Indicate point of appropriation and place of use, if possible.

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater: Oct 25, 1969

Owner: H. Zimmerman
Address: 414 Billings, Mont.

Contractor (if any): Fred H. Huppoet

Address of Contractor: Billings, Mont.

Date Started: Aug 25, 1969
Date Completed: Oct 25, 1969

Describe means of obtaining groundwater without a well “as by
sub-irrigation and other natural processes”. Include depth to
water when applicable.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use.

Indicate point of appropriation
and place of use, if possible.

Signature of Owner: H. Zimmerman
Date: Jan 6, 1971

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana
Bureau of Mines and Geology and quadruplicate for the Appropriator.
Notice of Completion of Groundwater Appropriation
Without Well
(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation: OCT. 25, 1962
Owner: Harold Zimmerman
Address: Rt. 4, Billings, Mont.
Contractor (if any): F. Red. Ill. Art.
Address of Contractor: 102 Broadway, Box 127, Billings, Mont.

Describe means of obtaining groundwater without a well "as by
sub-irrigation and other natural processes". Include depth to
water when applicable.

Quantity of water developed and used with explanation of method
used to measure or estimate such amount. If use is intermittent
estimate approximate lengths of periods of use:

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filled with the County Clerk and Recorder of the county in which the
works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana

Remarks:

Driller's License Number

Driller's Signature

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

55525
Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: BLASILBEBOYSEN Address: BILLING, MONT.
Driller: PELDIE PIERCE Address: BILLING, MONT.
Date of Notice of Appropriation of Groundwater: JULY 23, 1969
Date Well Started: JULY 23, 1969
Date Well Completed: JULY 24, 1969
Type of Well: Cased Equipment Used: REDID
Water Use: Domestic [] Municipal [] Other [] Irrigation []
Industrial [] Drainage [] Stock []

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Static Water Level for non-flowing Well: 50 ft
Shut-in Pressure for Flowing Well: 50 ft
Pumping Water Level: 30 ft
Discharge in gal. per min. of flowing well:
How Tested: S A I E R
Length of Test: 240
Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other pertinent information, including number of acres irrigated, if used for irrigation)

Driller's License Number: [Signature]

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology and quadruplicate for the Appropriator.
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

County of
State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. [Name of Appropriator] (Address)

2. The beneficial use on which the claim is based:

3. Date or approximate date of earliest beneficial use; and how continuous the use has been since 1962:

4. The amount of groundwater claimed (in miner's inches or gallons per minute):

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

8. The depth of water table:

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

10. The estimated amount of groundwater withdrawn each year:

11. The log of formations encountered in the drilling of each well if available:

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date:

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
