STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. STANLEY E. COLLINS of Huntley
   (Name of Appropriator) (Address) (Town)
   County of YELLOWSTONE, State of MONTANA
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: (Specify Use)

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1931 (Date) (Continuous)

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 50 gal

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: Acreage

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: 

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 

   8. The depth of water table: 15 ft

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: 

   10. The estimated amount of groundwater withdrawn each year: 121,360 gal

   11. The log of formations encountered in the drilling of each well if available: 

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

   Signature of Owner: STANLEY E. COLLINS
   Date: DEC 8 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1963)

1. Horace D. Blank, of (Address), (Town)

County of Yellowstone State of (Adams)

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1964, as follows:

2. The beneficial use on which the claim is based.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The amount of water table, if possible. Each small square represents 10 acres.

8. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

9. The depth of water table.

10. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

11. The estimated amount of groundwater withdrawn each year.

12. The log of formations encountered in the drilling of each well if available.

13. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner—

Date—

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the appropriator.
