Declaration of Vested Groundwater Rights

(Under Chapter 21, Montana Session Laws, 1965)

1. Mike D. Dimich Sons, of 344 Howard Ave. Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1/4 Sec. T15 R26E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
Cooling compressor - cleaning
3. Date or approximate date of earliest beneficial use; and how continuous the use has been
June, 1965
4. The amount of groundwater claimed (in miner's inches or gallons per minute)
30 gal. min.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
N.A.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
Electric pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
June 1, 1965
8. The depth of water table
32 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
Not known
10. The estimated amount of groundwater withdrawn each year
500.00 gals.
11. The log of formations encountered in the drilling of each well if available
no known
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
N.A.

Signature of Owner Mike Dimich

Date Dec 28, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Henry W. & Pauleen G. Arndt, of 1623 Yellowstone Ave. Billings,
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 NE 1/4 Sec. 6 T. 15 S. R. 26 E.

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based lawn watering
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Drilled April 21, 1958
Used continuously from approx March 1 to October 1, each year
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 10 gallons
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof Lot 6 Block 2 Berg Subdivision
Henry W. & Pauleen G. Arndt
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Shallow Well Pump
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater April 21, 1958
8. The depth of water table 6 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Shallow Well, 4 inch, 18 feet
10. The estimated amount of groundwater withdrawn each year 100,000 to 125,000 gallons
11. The log of formations encountered in the drilling of each well if available 7 feet dirt, 11 feet gravel
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner

Henry W. Arndt
Pauleen G. Arndt
Date January 10, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 21, Montana Session Laws, 1965)

1. Dea Barnes, of 2001 Broadwater Ave. Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

$\frac{1}{4}$ Sec. 6 T. 15 R. 26E
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based
irrigation
3. Date or approximate date of earliest beneficial use; and how continuous the use has been
1916
4. The amount of groundwater claimed (in miner's inches or gallons per minute)
16 gal
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
5 acres SE 1/4 NW 1/4 T-15-R-26
N 1/2 NW 1/4 SW NE 1/4 T-15-R-26
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
motor driven pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
not known
8. The depth of water table
20 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
not known
10. The estimated amount of groundwater withdrawn each year
3,000,000 gal.
11. The log of formations encountered in the drilling of each well if available
not known
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
not known

RECEIVED

STATE ENGINEER

Declaration of Vested Groundwater Rights

(Under Chapter 237, Montana Session Laws, 1961)

1. Russell E. Theresa H. Fitschen of 1635 Yellowstone Ave. Billings
(Name of Appropriator) (Address) (Town)

County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Burg Subdivision- Bl 2, Lot 9
Block 2, Lot 9

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based irrigation of property
3. Date or approximate date of earliest beneficial use; and how continuous the use has been June 1951 In use each summer since the date mentioned
4. The amount of groundwater claimed (in miner's inches or gallons per minute) Approximately 800/hr. (gallons)
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 7000 sq. ft. lot in Burg Subdivision,
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal one well. Water is secured by means of a centrifugal jet pump--capacity approximately 800 gal/hr.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater June 1951

8. The depth of water table Approximately 10 ft. However, my withdrawal is made from a depth of above 10 feet
So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater only one well on my property. I do not have information concerning number and location of the other wells in the particular locality.

10. The estimated amount of groundwater withdrawn each year 500,000 gal.

11. The log of formations encountered in the drilling of each well if available not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record this information is recorded above.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Right STATE ENGINEER

(Under Chapter 237, Montana Session Laws, 1961)

1. FRED E. JONES of 1619 Wyo. Ave. BILLINGS,
(Name of Appropriator) (Address) (Town)

County of YELLOWSTONE State of MONTANA
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Lot 5a in Block 3
Berg ^N Subdiv.

SE 1/4 NE 1/4 of Sec 6
TWP 15 Rgc 26 E
1/4 Sec. T. R.

Indicate point of appropriation
and place of use, if possible.
Each small square represents 10
acres.

2. The beneficial use on which the claim is based for
lawn + garden use
3. Date or approximate date of earliest beneficial use; and how continuous the use has been June '56
used only in summer
months
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1" outlet of
centrifugal pump 3/4 hp
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof watering for lawn
garden of 161 58' x 140'
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Elec.
centrifugal pump 1 1/2" inlet
1" outlet

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater JUNE 1956
8. The depth of water table unknown
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 2 inch casing driven
23 feet with 1 1/4" drop pipe inside
of casing
10. The estimated amount of groundwater withdrawn each year unknown 354,000 gals.
11. The log of formations encountered in the drilling of each well if available unknown
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Signature of Owner

Fred E. Jones

Date

20 Dec 63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

 drilled) other)

Doc. No. 903623Water Use: Domestic ☐ Industrial ☐Municipal ☐ Drainage ☐Other ☒ Irrigation ☒ Stock ☐

Filed for record

this 27th day of March
A. D. 19 72, at 1:52
o'clock P. M.

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Size of Drill Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
3 1/4"	3"	0	21'	Slits 1/8" by 6"	15'	21'

Static Water Level for non-flowing Well 13 feet.Shut-in Pressure for Flowing Well NAPumping Water Level 20 feet at 30 gal. per minute.Discharge in gal. per min. of flowing well NAHow Tested Centrifugal Pump Length of Test 5 hours

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of

acres irrigated, if used for irrigation) 0.28 acres

Lot 1 Block 1 Sweet Acres Subdivision
SW 1/4 Sec. 6 T. 15 R. 26 E. 1st Fl.

Indicate location of well and place of use, if possible. Each Diagram small square represents 0.28 acres.

irrigated plus trees, shrubs, flowers, garden

Show exact depth of bottom.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Charles D. Stout, of 1623 Wyoming Ave., Billings
(Name of Appropriator) (Address) (Town)
County of Yellowstone State of Montana
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 NE 1/4 Sec 6 T1S R26E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based Irrigation
3. Date or approximate date of earliest beneficial use; and how continuous the use has been Summer of 1953.
continuing each season since
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 30 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof 6500 square feet lawn and garden
Lot 6A block 3 amended plat of blocks
3 & 4 Burg Sub. Owner-same
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Electric driven centrifugal pump located
on above mentioned property
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater First well started and completed in spring of 1952.
and abandoned in 1960 because of poor location. Second well started
and completed 2nd week of June 1960.
8. The depth of water table Approximately 20 feet
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater Driven well. 2 in. steel casing
from ground level to 22 feet. Casing perforated. Present pump,
centrifugal 1 1/2 in. suction 1 in. discharge 1 hp. electric motor
10. The estimated amount of groundwater withdrawn each year 150000 to 200000 gallons
11. The log of formations encountered in the drilling of each well if available None
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner Charles D. Stout

Date 12-29-62

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.
