DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Appropriator) (Address) (Town)

County of ___________________________ State of ___________________________
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuously the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner ___________________________ Date ___________________________

Three copies to be filed by the owner with the County Clerk and Recorder of the County in which the well is located.

Are answer all questions. If not applicable, so state; otherwise the form will be returned.

Original to the County Clerk / Recorder; Duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology, and quadruplicate for the appropriator.

DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1962)

1. Henry C. Hudson, of Rt. 3, Billing (Name of Appropriator)
   (Address) (Town)

   County of Montana, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to
   January 1, 1962, as follows:

   2. The beneficial use on which the claim is based

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been—

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

   8. The depth of water table

   9. To far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

   10. The estimated amount of groundwater withdrawn each year

   11. The log of formations encountered in the drilling of each well if available

   12. Any other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   Signature of Owner:

   Date:

   Three copies to be filed by the owner with the County Clerk and Recorder of the
   county in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will
   be returned.

   Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate
   to the Montana bureau of mines and forestry, and Quadruplicate for the appropriator.
STATE OF MONTANA,

County of Yellowstone,

This instrument was filed in my office, this 1st day of January, 1963, in the

Registrar of the County.

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

NAME OF APPROPRIATOR: Jerry Thesner
ADDRESS: RT 3, Billings
COUNTY OF: Yellowstone
STATE OF: Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. The beneficial use on which the claim is based:
   - Household drinking water

2. Date or approximate date of earliest beneficial use and how continuous the use has been:
   - 1/2 of time
   - Water has been used daily

3. The amount of groundwater claimed (in miner's inches or gallons per minute):
   - 10 to 20 gal per minute

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner:
   - Not applicable

5. Indicate point of appropriation and place of use, if possible:
   - Each small square represents 10 acres.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Hand pumped six inch pump in house

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - 1973 or shortly thereafter

8. The depth of water table:
   - 5 ft or more

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - Drilled 20 ft and 6 inch draw

10. The estimated amount of groundwater withdrawn each year:
    - Up to 7000 gal

11. The log of formations encountered in the drilling of each well:
    - Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner: [Signature]
Date: 12-26-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Frank E. Jones, of Huntley, Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based is household water supply.
3. Date or approximate date of earliest beneficial use: January 1, 1949.
4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1.5 gallons per minute.
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: N/A.
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Deep well pump (Electric).
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1949.
8. The depth of water table: 75 feet.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: N/A.
10. Depth of well is approximately 75 feet.
11. The estimated amount of groundwater withdrawn each year: 200,000 gallons per day or 73,300 per year.
12. The log of formations encountered in the drilling of each well if available: 6 feet of silt, 3 feet of quicksand, 40 feet of gravel, 15 feet shale, 20 feet gravel & rock.
13. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

      Sec 24, Tm 103 E
      
      6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:  
      Pressure Pump

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater  
      Completed in 1956
      
      8. The depth of water table  
      Unknown

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:  
      8", Steel casing, depth 28', Type: pump:  
      
      10. The estimated amount of groundwater withdrawn each year:  
      50,000 gallons

   11. The log of formations encountered in the drilling of each well if available:  
      Unknown

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:  
      Unknown

   Signature of Owner: **Amy Wittman**  
   Date: 3/13/1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.

## Water Well Log

**Owner:** Dr. Wesley Bozeman  
**Address:** Huntley  
**Driller:** E. Knapp  
**Address:** Huntley  
**Date Started:** Aug. 1952  
**Date Completed:** Aug. 1952

**Location:** Sec. 32, T. 9 N., R. 6 E., Block 3-9-12-3

**Type of Well:** Dug  
**Equipment Used:** Drill

**Water Use:** Irrigation  
**Industrial:** No  
**Municipal:** No  
**Domestic:** No  
**Stock:** No  
**Drainage:** No

**Casing:** 5 ft. to 17 ft.  
**Type:** Pipe  
**Size:** 3"  
**Casing:** 17 ft. to 21 ft.  
**Type:**  
**Size:**  
**Casing:** 21 ft. to 25 ft.  
**Type:**  
**Size:**  
**Perforated or Screened:** Full  
**To:**  
**From:**  
**Type of Screen or Perforations:**

**Static Water Level:** 20 feet  
**Shut-in Pressure:** 300 lb./sq. in.  
**Pumping-water level:** 16 feet  
**Gage:** 200 gal. per min.  
**How Tested:** "4" Double Flange Pump  
**Length of Test:** 3 Hours  
**Remarks:** (Gravel packing cementing, packers, type of shut-off, depth of shut-off)  
**18 Deep**
DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

STATE of MONTANA
ADMINISTRATOR of GROUNDWATER CODE
OFFICE of STATE ENGINEER

DECLARATION of VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

COUNTY of

STATE of

have appropriated groundwater according to the Montana laws in effect prior to
January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial
use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's
inches or gallons per minute

5. If used for irrigation, give the acreage and
description of the lands to which water has been
applied and name of the owner thereof

6. The means of withdrawing such water from the
ground and the location of each well or other
means of withdrawal

7. The date of commencement and completion of the construction of the well, wells,
or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the
general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The leg of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the
policy of this act, including reference to book and page of any county record

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the
county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will
be returned.
Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate
to the Montana Bureau of Mines and Geology, and Quadruplicate for the appropriator
