As the Administrator of the Groundwater Code for the State of Montana, please take note of the following special instructions, in order to properly protect your groundwater right.

Special Instructions:

Please provide, as indicated in red on the attached form, the year that the well construction was started and completed.

Thank you.

*Year started 1972 finished 1972*

(Under Chapter 21, Montana Session Laws, 1965)

1. Edis + Howard Horton, of Bluntley, Montana  
(Name of Appropriator) (Address) (Town)  
County of Yellowstone State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NW 1/4 Sec. 8 T2N R28

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based. Stock water + domestic use
3. Date or approximate date of earliest beneficial use, and how continuous the use has been. 1907  
Constant use
4. The amount of groundwater claimed (in miner's inches or gallons per minute). 80 gpm
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.  
None
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.  
Cent. Pump + pressure tank

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater. April 1907
8. The depth of water table. 24 ft.
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.  
Six inch casing 28 ft deep
10. The estimated amount of groundwater withdrawn each year. 100,000
11. The log of formations encountered in the drilling of each well if available. None
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record. None

Signature of Owner: Howard Horton  
Date: Dec 31, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

# Notice of Completion of Groundwater Appropriation Without Well

(Under Chapter 237 Montana Session Laws, 1961)

Date of Appropriation of Groundwater.....1960

Owner Robert E. Fraser Jr. Address 106 Clark Ave. Billings

Contractor (if any) .....

Address of Contractor .....

Date Started intermittent Date Completed .....

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes" Include depth to water when applicable.....

Developed Spring & Ditch water

Sec 13 T. 2 N. R. 28 E.

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use.....

all year - variable flow

Signature of Owner

Robert E. Fraser Jr.

Date 12/31/63

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

County Yellow Stone

STATE OF MONTANA  
ADMINISTRATOR OF GROUNDWATER CODE  
OFFICE OF STATE ENGINEER

Notice of Completion of Groundwater Appropriation  
Without Well

(Under Chapter 237 Montana Session Laws, 1961)

937872

June 25, 1973.  
S.O.C.D. 11.

Date of Appropriation of Groundwater 25 June 1973

Owner A.F. Weidinger Address Ballantyne, MT

Contractor (if any) NONE

Address of Contractor NONE

Date Started 4/1/73 Date Completed 4/1/73

Describe means of obtaining groundwater without a well "as by sub-irrigation and other natural processes". Include depth to water when applicable. NATURAL PROCESSES

N.E. 1/4 Sec. 13, T. 22 N. R. 22 E.

Indicate point of appropriation and place of use, if possible.

Quantity of water developed and used with explanation of method used to measure or estimate such amount. If use is intermittent

estimate approximate lengths of periods of use. Well water

about 25-30 cfs. yearly

Signature of Owner A.F. Weidinger

Date 25 June 1973

This form to be prepared by contractor (if any), otherwise by the owner.

Three copies of this notice are to be filed with the County Clerk and Recorder of the county in which the works are located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

1. Elmer G. Ohlin, of \_\_\_\_\_, (Address) \_\_\_\_\_ (Town) \_\_\_\_\_  
(Name of Appropriator)  
County of Yellowstone State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

S.W. 1/4 Sec. 16, T. 2 N. R. 28 E

Indicate point of appropriation  
and place of use, if possible. Each  
small square represents 10 acres.

2. The beneficial use on which the claim is based Stock well
3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1912 ever since
4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1 gal per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
Not used for irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal Pump jack with windmill
7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1912
8. The depth of water table 44 ft
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 6 in steel casing
10. The estimated amount of groundwater withdrawn each year 100,000 gal
11. The log of formations encountered in the drilling of each well if available 35 ft of clay and dirt  
9 ft of gravel
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

Signature of Owner

Elmer G. OhlinDate Dec 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
