STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEERS

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Clear Union, J. Brown, at Broadk, Custer
   (Name of Appropriator) (Address) (Town)
   County of Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based, used for
   cattle, farm, house, and general farm

3. Date or approximate date of earliest beneficial use and how continuous the use has been: 1901, used continuously since then

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 15 gal per minute

5. If used for irrigation, give the area and description of the lands to which water has been applied and name of the owner thereof
   used for irrigation, farm, garden

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   well

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1901, well construction completed on being dug

8. The depth of water table 15 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   well

10. The estimated amount of groundwater withdrawn each year 28,870 gal

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner/Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, an 'X' state, otherwise the form will be returned.

Original to the County Clerk and Recorder. Duplicate to the State Engineer. Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriate.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. United States of America, of Box 1943, Billings
   (Name of Appropriator) (Address) (Town)

 County of Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.
   Domestic use

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1965 continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   pressure pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   1967

8. The depth of water table 25 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   6" casing, 1½ pump

10. The estimated amount of groundwater withdrawn each year 5 acre-feet

11. The log of formations encountered in the drilling of each well if available.
   not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
   

State Engineer

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplet to the Montana Bureau of Mines and Geology; and Quadruplicate for the Appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. County of Yellowstone, State of Montana, have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based:
   - Domestic use

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1907, continuously

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 gal. per min.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - Montana Project Irrigation Dist.
   - Other well at other residence

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Pressure pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1969

8. The depth of water table: 24 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
   - 6" casing, 1 HP pump

10. The estimated amount of groundwater withdrawn each year: 5 acre-feet

11. The log of formations encountered in the drilling of each well if available:
   - Not available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
   - This water is used for domestic, household, stock watering, and similar purposes at the rancher's residence at Helelina. Pending Plant by employees of the United States or its agents in connection with the operation and maintenance of the Huntley Federal Irrigation Project, United States of America. Signature of Owner: Samuel Gonzales
   - For Regional Director, Region 5, Bureau of Reclamation
   - Date: December 26, 1969

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

1. Name of Appropriator: J.J. Lake
   (Address): 1234 Main St.
   (Town): Ballantine
   County of: Yellowstone
   State of: Montana
   I have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based: Domestic, irrigation and commercial uses.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been: Approximately 1955 and used continuously since then.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 10 gallons per minute.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: 50 acres, described as Quarter Section 1, Township 5 North, Range 1 West, in the County of Yellowstone, Montana.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Electric pump and pressure storage tank, located in basement of dwelling on said property.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Approximately 1955.

8. The depth of water table: Approximately thirty feet.

9. So far as it may be available, the type, size and depth of each well or the general specification of any other works for the withdrawal of groundwater: Drilled approximately 50 feet in depth, sized and cased.

10. The estimated amount of groundwater withdrawn each year: 131,000 gallons.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful to carry out the policy of this act, including reference to book and page of any county record: None available.

Signature of Owner: J. J. Lake
Date: August 1st, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

(Under Chapter 237, Montana Session Laws, 1961)

STATE ENGINEER

(Title and Address)

County of Yellowstone

State of Montana

Declaration of Vested Groundwater Rights

(under date: 1963)

(Name of Appropriator) (Address) (Town)

County of Yellowstone

State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based. Horse, etc.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been. 1920

4. The amount of groundwater claimed (in miner's inches or gallons per minute). 10 gpm

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.

8. The depth of water table.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

10. The estimated amount of groundwater withdrawn each year. 4,000 gph

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

Signature of Owner

Date

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the Appropriator.
Name of Appropriator: Mary H. Hecker
Address: 316 Belknap Street
County of Yellowstone
State of Montana

1. John Johnson
   (Name of Appropriator)
   of
   (Address)
   (Town)

County of
State of

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based.
   House and garden

3. Date or approximate date of earliest beneficial use and how continuous the use has been.
   June 1936. Continuously since.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).
   300 gal per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.
   Irrigated. Type of land: garden

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater.
   June 1936

8. The depth of water table.
   80 ft

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater.
   80 ft. One casing. Polyethylene pump

10. The estimated amount of groundwater withdrawn each year.

11. The log of formations encountered in the drilling of each well if available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.
