STATE OF MONTANA

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

DECLARATION of VESTED GROUNDWATER RIGHTS

(Under Chapter 237, Montana Session Laws, 1961)

1. Ray E. Kinghorn — of — Shepherd —

County of ——— — State of ——— — have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based

3. Date or approximate date of earliest beneficial use; and how continuous the use has been

4. The amount of groundwater claimed (in miner's inches or gallons per minute)

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater

8. The depth of water table

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

Signature of Owner

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of mines and geology, and Quadruplicate for the appropriator.
DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

Ray E. King, Jr., or Shephard
(Name of Appropriator) (Address) (Town)

County of Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to
January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   - STOCK

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   - 1925 - 30 days

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   - 29

5. If used for irrigation, give the acreage and description of the lands to which water has been
   applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other
   means of withdrawal
   - Electric Pump

7. The date of commencement and completion of the construction of the well, wells, or other
   works for withdrawal of groundwater
   - June 30, 1932

8. The depth of water table
   - 35 ft

9. So far as it may be available, the type, size and depth of each well or the general
   specifications of any other works for the withdrawal of groundwater
   - Steel Casing - 30 ft

10. The estimated amount of groundwater withdrawn each year
    - 200,000 gal

11. The log of formations encountered in the drilling of each well if available
    - NOT

12. Such other information of a similar nature as may be useful in carrying out the
    policy of this act, including reference to book and page of any county record
    - Not required

Signature of Owner:

Date: 

Three copies to be filed by the owner with the County Clerk and Recorder of the
county in which the well is located.
Please answer all questions. If not applicable, so state, otherwise the form will
be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate

Declaration of Vested Groundwater Rights

Under Chapter 237, Montana Session Laws, 1961

John P. Nollis G. Culbertson of RFD Shepherd

Yellowstone County, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. Name of Appropriator

2. The beneficial use on which the claim is based:

   Home, livestock, lawn, garden.

3. Date or approximate date of earliest beneficial use; and how continuous the use has been.

   Continuously since 1900.

4. The amount of groundwater claimed (in miner's inches or gallons per minute).

   100,000 gallons.

5. If used for irrigation, give the acreage and description of the land to which water has been applied and name of the owner thereof.

   5 acres, farmstead, feed lot, lawn, garden, windbreaks, etc.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Well in basement of house and spring behind house.

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:

   The well was cribbed and used before the Blue River was diverted.

8. The depth of water table.

   20 feet average.

9. So far as it may be available, the type, size, and depth of each well or the general specifications of any other works for the withdrawal of groundwater.

   

10. The estimated amount of groundwater withdrawn each year.

    100,000 gallons.

11. The log of formations encountered in the drilling of each well if available.

    

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record.

   

Signature of Owner

Date 7-5-63

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

STATE OF MONTANA

DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 21, Montana Session Laws, 1965)

John K. King
County of
State of
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1965, as follows:

1. The beneficial use on which the claim is based: 
   - Livestock

2. Date or approximate date of earliest beneficial use: 1912

3. The amount of groundwater claimed (in miner's inches or gallons per minute): 50

4. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
   - 10 acres

5. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
   - Pump

6. The depth of water table:
   - 15 feet

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
   - 1948 commencement, 1949 completion

8. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

9. The estimated amount of groundwater withdrawn each year: 500,000 gallons

10. The log of formations encountered in the drilling of each well if available:

11. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

Signature of Owner:

Date: Dec. 10, 1965

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

Notice of Completion of Groundwater Appropriation by Means of Well Developed After January 1, 1982 (Under Chapter 237 Montana Session Laws, 1961, as amended)

Owner: Herman Thaut
Address: Shepherd, Montana

Driller: R. M. Drilling
Address: Fishalia, Montana

Date of Notice of appropriation of groundwater: 
Date well started: May 13
Date completed: May 23

Type of well: Drilled
Equipment used: Copenh-Drill
(Dug, driven, bored or drilled)
(Churn drill, rotary or other)

Water use: Domestic () Municipal () Stock () Irrigation ()
Industrial () Drainage () Other ()

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which the water rises in the well.

<table>

DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. **Harold Haggard**, of **Shepherd** (Address)

   County of **Yellowstone**, State of **Montana** have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   - **Stalk Water**

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   - **Spring of 1960**

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   - **Cone gallon**

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   - **Pumped by motor**

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   - **Drilled year 1957**

8. The depth of water table
   - **50 ft.**

9. As far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   - **6 in. diameter 200 ft. deep**

10. The estimated amount of groundwater withdrawn each year

11. The log of formations encountered in the drilling of each well if available
   - **L.C. Office**

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record

   **Signature of Owner**

   **Date**

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located. Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the appropriator.
Declaration of Vested Groundwater Rights
(Under Chapter 21, Montana Session Laws, 1965)

1. Bureau of Land Management
   (Name of Appropriator)
   (Address)
   (Town)

   County of
   State of

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based:
      
   3. Date or approximate date of earliest beneficial use; and how continuous the use has been:
      
   4. The amount of groundwater claimed (in miner's inches or gallons per minute):
      
   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof:
      
   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:
      
   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater:
      
   8. The depth of water table:
      
   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:
      
   10. The estimated amount of groundwater withdrawn each year:
      
   11. The log of formations encountered in the drilling of each well if available:
      
   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:
      
   Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

   Please answer all questions. If not applicable, so state, otherwise the form will be returned.

   Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.
**STATE OF MONTANA**
**ADMINISTRATOR OF GROUNDWATER CODE**
**MONTANA WATER RESOURCES BOARD**

**NOTICE OF COMPLETION OF GROUNDWATER APPROPRIATION BY MEANS OF WELL**
Developed after January 1, 1962

(Under Chapter 237 Montana Session Laws, 1961, as amended)

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located, last copy to be retained by driller. Please answer all questions, if not applicable, so state, otherwise the form may be returned.

**Owner:** JOHN BROWN  
Address:  
File: 936797

Date well started: 5-14-73  
GW 1: 11:56 a.m.  
Date well completed: 5-18-73

**Type of well:** DRAILED  
**Equipment used:** ROTARY

**Water Use:** Domestic □  
Municipal □  
Stock □  
Irrigation □

**Industrial □  
Drainage □  
Other □  
Garden/Lawn □**

Describe USE:  
If used for irrigation, industrial, drainage or other, explain, state number of acres and location or other data (e.g. Lot, Block and Addition).

**ESTIMATED ANNUAL WITHDRAWAL:** 600,000 gal

Notice of Completion of Groundwater Appropriation by Means of Well
(Under Chapter 237, Montana Session Laws, 1961)

Owner: Mr. D. Talcott
Address: Helena, Montana

Driller: Chris Holland
Address: Helena, Montana

Date of Notice of Appropriation of Groundwater: May 14, 1962
Date Completed: May 19, 1962

Type of Well: Drilled
Equipment Used: Spindle
(Dug, driven, bored or drilled)

Water Use: Domestic

Type of strata met with in drilling: Sandstone, shale, gravel, rock or sand, etc.

Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Well depth:

Static Water Level for non-flowing Well: 30 ft. from top...feet.
Shut-in Pressure for Flowing Well:
Pumping Water Level: 292 feet at 2 gal. per minute.
Discharge in gal. per min. of flowing well:
How Tested:耐用
Length of Test: Time Date
Remarks:
Indicate location of well and place of use, if possible. Each small square represents 10 acres.

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the Montana Bureau of Mines and Geology; quadruplicate for the Appropirator.
DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. J.A. Hazeldean  
   (Name of Appropriator)  
   of  
   (Address)  
   County of  Yellowstone  
   State of Montana  
   have appropriated groundwater according to the grounds and in order to  
   January 1, 1962, as follows:

2. The beneficial use on which the claim is based  
   Irrigation

3. Date or approximate date of earliest beneficial use; and how continuous the use has been  
   1956

4. The amount of groundwater claimed (in miner's inches or gallons per minute)  
   20 gallons

5. If used for irrigation, give the source and description of the lands to which water has been 
   applied and name of the owner thereof  

6. The means of withdrawing such water from the ground and the location of each well or other 
   means of withdrawal  
   
7. The date of commencement and completion of the construction of the well, wells, 
   or other works for withdrawal of groundwater  
   1956

8. The depth of water table  
   10 feet

9. So far as it may be available, the type, size and depth of each well or the general specifications 
   of any other works for the withdrawal of groundwater  

10. The estimated amount of groundwater withdrawn each year  
    12,000

11. The log of formations encountered in the drilling of each well if available  

12. Such other information of a similar nature as may be useful in carrying out the 
    policy of this act, including reference to book and page of any county record  

Signature of Owner:  
Date:  

Three copies to be filed by the owner with the County Clerk and Recorder of the 
county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will 
be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate 
to the Montana Bureau of Mines and Geology, and Quadruplicate for the appropriator.
