STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 21, Montana Session Laws, 1965)

File No. T.N.R. 2.0.5

COUNTY OF

DUPLICATE

STATE OF

ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Maurice W. Conover of Broadview

County of Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

1. (Name of Appropriator)

2. The beneficial use on which the claim is based: Domestic Consumption.

3. Date or approximate date of earliest beneficial use, and how continuous the use has been: 1945.

4. The amount of groundwater claimed (in miner's inches or gallons per minute): 1500 gal. per day.

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof.

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal:

   Ele. Pressure Pump

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1945.

8. The depth of water table: 20 ft.

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater:

   Driller 6 in - 150 ft. deep

10. The estimated amount of groundwater withdrawn each year: 150,000 gal.

11. The log of formations encountered in the drilling of each well if available: Not available.

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record:

    Signature of Owner: Maurice W. Conover
    Date: Dec. 30, 1945

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and Quadruplicate for the Appropriator.

Signature of Owner: Maurice W. Conover
Date: Dec. 30, 1945

Not available.

WATER WELL LOG

Owner: Esther L. Schmidt
Address: Broadview,

Driller: L. E. Anderson
Address: Broadview,

Date Started: July, 1942
Date Completed: July, 1942

Location: Sec. 26, T. 4, R. 24, 1/4 Sec. 54/2

Type of well: Drilled
Equipment used: Churn drill

Water use: Domestic [ ] Municipal [ ] Stock [ ] Irrigation [ ]
Industriat [ ] Drainage [ ] Other [ ]

Casing: 0 ft. to 250 ft. Type galv. steel Size 6"

Perforated or screened Ft. 210 to Ft. 250 Ft. to Ft.

Type of screen or perforations ⅛ perforations in casing.

Static water level, ft. non-flowing well: 240 feet.

Shut-in pressure for flowing well: 100 lb./sq. in. on:

Pumping water level 100 feet at 20 gal. per. min. pumped with submersible electric pump.

How tested: 30 min.

Length of test: 30 min.

Remarks: Gravel packing throughout race of water flow.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Henry Jones, of Broadhead
   (Name of Appropriator) (Town)

   County of Yellowstone, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: Stock Water

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been: 1960 - All Time

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 8 gal. min.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: None

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: Windmill

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: Dec. 31, 1962

   8. The depth of water table: 50 feet

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: Drilled well 6" 100 ft. deep

   10. The estimated amount of groundwater withdrawn each year: 350,000

   11. The log of formations encountered in the drilling of each well if available: None

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: None

   Signature of Owner: [Signature]
   Date: Dec. 26, 1962

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; triplicate to the School of Mines and quadruplicate for the Appropriator.

STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

DECLARATION of VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961

STATE ENGINEER

1. [Name of Appropriator] of Broadwater, Montana (Town)
   County of Broadwater, State of Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based
      *Steel watering*

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been
      *1927 continuously since then*

   4. The amount of groundwater claimed (in miner's inches or gallons per minute)
      *Thirty gallons per minute*

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
      *Not applicable*

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
      *Lift pump and electric motor*

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
      *Not applicable*

   8. The depth of water table
      *Fifteen feet*

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
      *6 1/2 in. hole; 6 in. galvanized iron casing, fifty feet each*

   10. The estimated amount of groundwater withdrawn each year
       *8000 gallons*

   11. The log of formations encountered in the drilling of each well if available
       *Probably available from records of driller, L. T. Anderson*

   12. Such other information of a similar nature as may be useful in carrying out the purpose of this act, including reference to book and page of any county records
       *Unknown*

   Signature of Owner: [Signature]
   Date: December 31, 1963

Three copies to be filled by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of mines and Geology, and Quadruplicate for the appropriator.
DECLARATION OF VESTED GROUNDWATER RIGHTS
(Under Chapter 237, Montana Session Laws, 1961)

1. Mary E. Rockenkeller, of Broadview, Montana

County of Yellowstone, State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

2. The beneficial use on which the claim is based
   "Household use"

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   "About 1953, daily since then"

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   "Thirty gallons per minute"

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   "Not applicable"

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   "Electrical jet pump"

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   "About 1953"

8. The depth of water table
   "20 feet"

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   "6 1/4" in. hole, 64 ft. deep, 100 ft. depth"

10. The estimated amount of groundwater withdrawn each year
    "20,000 gallons"

11. The log of formations encountered in the drilling of each well if available
    "Probably available from driller P.L. Ferguson, Roundup, Montana"

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    "Unknown"

Signature of Owner: Mary E. Rockenkeller
Date: December 24, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk & Recorder; Duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology, and Quadruplicate for the appropriator.

Deputy
STATE OF MONTANA
ADMINISTRATOR OF GROUNDWATER CODE
OFFICE OF STATE ENGINEER

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Name of Proprietor (Name of Appropriator): Rudolph R. Bender
   (Address): 1548 Ranch Drive, Billings, Montana
   (Town): Billings, Montana
   County of: Yellowstone
   State of: Montana

   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

   2. The beneficial use on which the claim is based: water for livestock.

   3. Date or approximate date of earliest beneficial use; and how continuous the use has been used from about 1930, continually for the water of livestock.

   4. The amount of groundwater claimed (in miner's inches or gallons per minute): 20 gallons per minute.

   5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof: used for irrigation.

   6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal: suction pump driven by an electric pump pack.

   7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater: 1922.

   8. The depth of water table: approximately 35 feet.

   9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater: It is a drilled well with a slotted casing 105 feet deep.

   10. The estimated amount of groundwater withdrawn each year: 400,000 gallons.

   11. The log of formations encountered in the drilling of each well if available: information not available to us.

   12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record: no other information is available to us.

Declaration of Vested Groundwater Rights
(Under Chapter 237, Montana Session Laws, 1961)

1. Amos Hall, of Bozeman
   (Name of Appropnator) (Address) (Town)
   County of Yellowstone, State of Montana
   have appropriated groundwater according to the Montana laws in effect prior to January 1, 1963, as follows:

2. The beneficial use on which the claim is based
   "Farming"

3. Date or approximate date of earliest beneficial use; and how continuous the use has been
   1915 - Continuously since 1915

4. The amount of groundwater claimed (in miner's inches or gallons per minute)
   5 gal. per minute

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof
   "Not applicable"

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal
   "Spring"

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater
   "Not available"

8. The depth of water table
   "Not available"

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater
   "Not available"

10. The estimated amount of groundwater withdrawn each year
    "Not available"

11. The log of formations encountered in the drilling of each well if available
    "Not available"

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record
    "Not available"

Signature of Owner: Amos Hall
