Declaration of Vested Groundwater Rights  
(Under Chapter 237, Montana Session Laws, 1961)

RECEIVED  
DEC 20 1963  
STATE ENGINEER

1. DAVID ABEL, of CUSTER, MONT.  
(Name of Appropriator) (Address) (Town)  
County of YELLOWSTONE State of MONTANA  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4 of Sec. 10, T. 5, R. 30  
Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based LIVE STOCK
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1956
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 3
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NONE
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal ELECTRIC MOTOR

- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1956
- 8. The depth of water table 250 FEET
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater DRILLED 8 INCH CASING 275 FT. DEPTH 320 FEET 2 INCH PIPE WOOD ROD CYLINDER 1 3/16
- 10. The estimated amount of groundwater withdrawn each year 1,576,800
- 11. The log of formations encountered in the drilling of each well if available NONE
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record NONE

Signature of Owner David Abel  
Date Dec 19 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

County of Yellowstone State of MONTANA  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

NE 1/4 of Sec. 14 T5 R31

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based LIVESTOCK

3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1947 DAILY

4. The amount of groundwater claimed (in miner's inches or gallons per minute) 1.0

5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof NONE

6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal WINDMILL AND GASOLINE MOTOR

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1947

8. The depth of water table 50 FEET

9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater DRILLED  
8 INCH CASING 120 FT. DEPTH  
1.00 FEET 1 1/4 PIPE STEEL ROD  
2 1/2 INCH CYLINDER

10. The estimated amount of groundwater withdrawn each year 5,276,000 GAL

11. The log of formations encountered in the drilling of each well if available NONE

12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record NONE

Signature of Owner David Abel  
Date Dec 19 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

(Under Chapter 21, Montana Session Laws, 1965)

1. Bureau of Land Management, of 3310 4th Avenue North Billings  
(Name of Appropriator) (Address) (Town)  
County of Yellowstone State of Montana

have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

Sec 14 T. 37N R. 31E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- The beneficial use on which the claim is based stockwater and water for wildlife
- Date or approximate date of earliest beneficial use; and how continuous the use has been 1944 with continuous use to present date
- The amount of groundwater claimed (in miner's inches or gallons per minute) 4 gallons per minute
- If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not used for irrigation
- The means of withdrawing such water from the ground and the location of each well or other means of withdrawal windmill

- The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater started 1944, completed 1946
- The depth of water table 100 feet
- So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  
Depth: 135 feet  
Casing: 6"  
Type: Stock and wildlife water well
- The estimated amount of groundwater withdrawn each year 144,000 gallons per year
- The log of formations encountered in the drilling of each well if available None
- Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record None

ADMINISTRATOR OF GROUNDWATER CODE

OFFICE OF STATE ENGINEER

Successor No. 2  
M-1177

### Declaration of Vested Groundwater Rights

(Under Chapter 21, Montana Session Laws, 1965)

1. Bureau of Land Management, of 3310 4th Ave. North Billings  
(Name of Appropriator) (Address) (Town)  
County of Yellowstone State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

W 1/4 Sec. 10 T. 3N R. 32E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

2. The beneficial use on which the claim is based  
Stockwater and water for wildlife
3. Date or approximate date of earliest beneficial use; and how continuous the use has been  
1756 with continuous use to present date
4. The amount of groundwater claimed (in miner's inches or gallons per minute)  
3 gallons per minute
5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof  
Not used for irrigation
6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal  
Windmill

7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater  
Commencement date 7/56, completion date 7/56
8. The depth of water table  
Unknown
9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater  
Depth: 90 feet  
Casing Size: 6"  
Type: Stock and wildlife water well
10. The estimated amount of groundwater withdrawn each year  
100,000 gallons per year
11. The log of formations encountered in the drilling of each well if available  
None
12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record  
None

Bureau of Land Management

By Signature of District Manager

District Manager

Date 9/14/65

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the School of Mines and Quadruplicate for the Appropriator.

United States of America  
1. Bureau of Land Management, of 3310 4th Avenue North, Billings  
(Name of Appropriator) (Address) (Town)  
County of Yellowstone State of Montana  
have appropriated groundwater according to the Montana laws in effect prior to January 1, 1962, as follows:

SE 1/4, NE 1/4, Sec. 10, T. 32 N. R. 32 E

Indicate point of appropriation and place of use, if possible. Each small square represents 10 acres.

- 2. The beneficial use on which the claim is based stockwater
- 3. Date or approximate date of earliest beneficial use; and how continuous the use has been 1944, continuous use
- 4. The amount of groundwater claimed (in miner's inches or gallons per minute) 6 gallons per minute
- 5. If used for irrigation, give the acreage and description of the lands to which water has been applied and name of the owner thereof not used
- 6. The means of withdrawing such water from the ground and the location of each well or other means of withdrawal lift pump with windmill
- 7. The date of commencement and completion of the construction of the well, wells, or other works for withdrawal of groundwater 1944
- 8. The depth of water table unknown
- 9. So far as it may be available, the type, size and depth of each well or the general specifications of any other works for the withdrawal of groundwater 170' deep 6" hole
- 10. The estimated amount of groundwater withdrawn each year unknown
- 11. The log of formations encountered in the drilling of each well if available unknown
- 12. Such other information of a similar nature as may be useful in carrying out the policy of this act, including reference to book and page of any county record unknown

Signature of Owner Glen W. Freeman, Jr.  
Glen W. Freeman, Jr., Acting District Manager  
Date December 31, 1963

Three copies to be filed by the owner with the County Clerk and Recorder of the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.

Top of Ground (Elev. above sea level 2900')

**Notice of Completion of Groundwater Appropriation by Means of Well**

(Under Chapter 237, Montana Session Laws, 1961)

Owner W.E. Steele Address 2613 Virginia Lane Billings, Montana  
 Driller Chris Hedland Address Custer, Montana

Date of Notice of Appropriation of Groundwater .....

Date well started June 24, 1965 Date Completed July 7, 1965

Type of well Drilled Equipment Used Spudder  
 (aug, driven, bored or drilled) (Churn, drill, rotary or other)

Water Use: Domestic  Municipal  Other  Irrigation   
 Industrial  Drainage  Stock

Indicate on the diagram the character and thickness of the different strata met with in drilling, such as soil, clay, shale, gravel, rock or sand, etc. Show depth at which water is encountered, thickness and character of water-bearing strata and height to which water rises in the well.

Size of Drilled Hole	Size and Weight of Casing	From (Feet)	To (Feet)	PERFORATIONS		
				Kind Size	From (Feet)	To (Feet)
<u>6 1/2"</u>	<u>6" O.D. 11 lb.</u>	<u>top</u>	<u>bottom</u>	<u>By Torch Slots 1/8" x 3"</u>	<u>355</u>	<u>367</u>

NE 1/4 Sec. 20 T. 5 N R. 32 E

Indicate location of well and place of use, if possible. Each small square represents 10 acres.

Show exact depth of bottom.

Static Water Level for non-flowing Well 215 feet.

Shut-in Pressure for Flowing Well .....

Pumping Water Level 360 feet at 5 gal. per minute.

Discharge in gal. per min. of flowing well .....

How Tested Time bailing Length of Test 30 min.

Remarks: (Gravel packing, cementing, packers, type of shutoff, location of place of use of groundwater if not at well, and any other similar pertinent information, including number of acres irrigated, if used for irrigation) .....

Driller's License Number 3

Driller's Signature Chris Hedland

This form to be prepared by driller, and three copies to be filed by the owner with the County Clerk and Recorder in the county in which the well is located.

Please answer all questions. If not applicable, so state, otherwise the form will be returned.

Original to the County Clerk and Recorder; duplicate to the State Engineer; Triplicate to the Montana Bureau of Mines and Geology and Quadruplicate for the Appropriator.
